DELAYS

VERVIA acknowledgement will state a shipping date which is VERVIA best estimate at the time the order is acknowledged. However, VERVIA shall not incur any obligation or liability to Purchaser for failure to ship by specified date unless VERVIA has agreed to an unequivocal, firm shipping date in a separately signed written document executed by its authorized personnel at its head office. In addition, VERVIA shall not be liable for any loss or damage resulting from any delay or failure in shipment or order failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of acknowledgement where such delay, failure, loss or damage is the proximate result of any act of any government authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, act of enemies, delay or default in transportation, strike disputes among or between labor unions or other labor disputes, delay or inability in obtaining material and facilities, fire, flood, act of God or any cause not within the reasonable control of the company, whether of the class of causes enumerated or otherwise. Without limiting the generality of the foregoing, VERVIA may, without causing breach or incurring liability, allocate goods which are in short supply, irrespective of the reasons therefore, among Purchasers, in any manner which VERVIA, in its sole discretion, deems advisable.

SUSPENSION

In the event that the Purchaser defaults in the payment of any sum due VERVIA, or in the event the Purchaser's financial condition becomes unsatisfactory to VERVIA, VERVIA shall have a right, at its option, upon notice to the Purchaser, to defer or discontinue shipment of any goods until such time as of payment to VERVIA in such form, content and/or amounts as VERVIA, in its sole discretion, deems adequate.

BACK CHARGES

VERVIA will not accept charges for expense incurred by the Purchaser in expediting shipments. VERVIA will not accept charges for the repair of damage by others.

FREIGHT CLAIMS

All goods are sold EX WORKS plant. VERVIA is not responsible for damage which occurs in transit or in storage. The carrier signs for all goods received in apparently good order. It is the Purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier. The Purchaser is advised to notify and file claims for any concealed damage to the products in accordance with the carrier's terms and conditions, within 5 days of delivery. All packaging should be retained for inspection by the carrier. Failure by the Purchaser to make any claim against VERVIA within FIVE (5) days shall constitute acceptance of the goods and a waiver of any apparent defects, error or shortages.

INSTALLATION CHARGE BACKS

VERVIA will not accept, in part or in whole, for any reason, any installation cost charge backs on products shipped without its explicit prior written approval. Any costs incurred by the customer for installation of goods sold, without such prior written approval, will be at the customer's sole expense.

RETURNS

No returns of goods will be accepted without consent and shipping instruction from VERVIA. A minimum restocking charge of 50% is made on all authorized returns for credit or refund, provided goods are received by VERVIA in the condition in which they left the factory. No credit will be given if goods cannot be reused. Special order items are in no event subject to return.

TOLERANCES

All dimensions must be limited by a specified tolerance. When not specified it is understood that VERVIA normal tolerances and standards shall apply. Dimensions in the ezoBord price list are shown in both inches and mm. The metric dimensions are the more accurate, that is, imperial dimensions may be rounded up or down. When Purchaser has submitted own plans and/or specifications, VERVIA will not be responsible for the design and fitting of parts. The conforming of VERVIA products to the specified tolerance is sufficient evidence as to the correctness of the product. Standards of finish, quality and appearance shall, unless specified in writing, be the normal standards of VERVIA.

OFFER OF SALE

Possession of this price list or any other literature shall not imply the company's willingness to sell to the holders and shall not be constructed as a direct offer of sale.

APPLICATION OF STANDARD TERMS

Sales of ezoBord products are made only on VERVIA standard terms and conditions of sale which are contained in the Price & Product Guide and in VERVIA order acknowledgements. Any item or condition contained in any purchase order, (or other form used by Purchaser to order goods,) which is different from VERVIA standard terms and conditions shall not apply.

LIMITED WARRANTY

VERVIA warrants the construction and the finish of all our products to be free from defects in materials and workmanship for a period of 1 year from the date of purchase. This warranty does not apply to components not manufactured by VERVIA which are subject to the specific warranties of those manufacturers, if any.

VERVIA cannot be held responsible for reasonable variations in dye lot from order to order. All ezoBord sheet goods are subject to some degree of variation in colour due to recycled content in the raw materials and this possibility should be expected by the purchaser. Repair or replacement of any defective component covered by the VERVIA warranty will be made at no charge to the original purchaser during the warranty period. Labor required to facilitate the repair or replacement will be the responsibility of the original selling dealer. This warranty policy does not apply to defects resulting from negligence, misuse, alteration, improper cleaning, stains or accidents. VERVIA's judgement will be final in all matters concerning the condition of the products, the cause or nature of the defect, and the necessity or manner of repair.

This warranty applies to products sold in the USA only, and is made only to the original purchasers acquiring our products through authorized dealers, directly from VERVIA, or from others specifically authorized to sell our products.
